    <h1>Privacy Policy</h1>
    <p>Welcome to Diabetes Risk Prediction, an exercise
application designed to support diabetes patients with a user-friendly
interface and personalized workout routines. Our goal is to promote
wellness about diabetes conditions and increase the rate of normal
values. This Privacy Policy explains how we collect, use, and protect
your personal data when you use our service.</p>

    <h2>Interpretation and Definitions</h2>
    <h3>Interpretation</h3>
```

The words with initial letters capitalized have meanings defined under the following conditions. These definitions will have the same meaning whether in singular or plural form.

Definitions

-

- Account:** A unique account created for You to access our Service or parts of it.

- Affiliate:** An entity controlling, controlled by, or under common control with a party.

- Application:** Refers to Diabetes Risk Prediction, the software provided by the Company.

- Company:** Refers to Diabetes

- Country:** Tamil Nadu, India.

- Device:** Any device capable of accessing the Service, such as a computer, cellphone, or tablet.

- Personal Data:** Any information relating to an identified or identifiable individual.

- Service:** The Diabetes Application.

- Service Provider:** Any person or entity processing data on behalf of the Company.

- Usage Data:** Data collected automatically, generated by the use of the Service or from the Service infrastructure.

- You:** The individual or entity accessing or using the Service.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or identify You. Personally identifiable information may include, but is not limited to:

- Email address

- First name and last name

- Phone number

- Health data (e.g., diabetes-related wellness metrics, exercise routines, trimester progress, etc.)

Usage Data

Usage Data is collected automatically when using the Service. It may include information such as Your Device's IP address, browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers, and other diagnostic data. When accessing

the Service via a mobile device, additional information such as device type, unique ID, IP address, operating system, and browser type may also be collected.</p>

<h4>Health Data</h4>

<p>As part of the Service, We may collect health-related data such as updates on your diabetes progress, exercise routines, trimester information, and other wellness metrics. This data is used to personalize your experience, track your prenatal health, and provide recommendations aimed at supporting a healthy pregnancy and promoting normal deliveries.</p>

<h2>Sharing Your Personal Data</h2>

 With Service Providers: To monitor and analyze the use of our Service, manage health data, and assist in improving the user experience.

 For Business Transfers: During mergers, sales, or acquisitions.

 With Affiliates: Including our parent company and other subsidiaries under common control.

 With Business Partners: To offer health-related products, services, or promotions.

 With Other Users: When interacting publicly or sharing personal information.

 With Your Consent: For any other

purpose with your explicit consent.

<h2>Retention of Your Personal Data</h2>

<p>We will retain Your Personal Data only for as long as necessary to fulfill the purposes outlined in this Privacy Policy, and to comply with legal obligations. Health data will be retained as long as required to support wellness diabetes conditions.</p>

<h2>Security of Your Personal Data</h2>

<p>We strive to protect your data but cannot guarantee absolute security. We use commercially acceptable methods to safeguard your Personal Data.</p>

<h2>Children\'s Privacy</h2>

<p>Our Service does not target individuals under 15. We do not knowingly collect data from this age group. If you are a parent or guardian and become aware of such data collection, please contact us.</p>

<h2>Changes to this Privacy Policy</h2>

<p>We may update this Privacy Policy and will notify you of any changes by posting the new policy on this page. Please review the policy periodically for updates.</p>

<h2>Contact Us</h2>

<p>If you have any questions about this Privacy Policy, you

can contact us at kammarahul388@gmail.com</
a>.</p>
